Greetings from Wine Country!

The autumn season is upon us, weather is cooling down, and leaves are changing color. In Sonoma County that means it's harvest time. But for you it means Wine Club shipment time!

It's been a great year for the Blanchard family as we are rebuilding from the incredibly challenging pandemic times. In Colorado, James welcomed new employees, hosted amazing events, and introduced our first Colorado made wines. In California, Mark and Jene increased wine production and upgraded winemaking equipment and quality. Mark also welcomed his second child, a baby girl, into the world this year.

We thank our loyal fans and we will never be able to express the level of gratitude we feel for each and every one of you.

Mark & James Blanchard

Private Wine Labels

Customizable front & back labels for any occasion.

How It Works

We can create private wine labels, for any of our Blanchard Family Wines. Whether you are looking for corporate gifts, non-profit fundraising, or something personal, we can make a label for you.

We will design, print, and apply labels to bottles. The only thing we need from you is any logos, images, or copy you would like on your label! It's that simple.

AUGUST 7TH | DAIRY BLOCK

coloradowinewalk.com • @cowinewalk

Blanchard Family Wines is a first-generation wine venture founded over ten years ago by James and Mark Blanchard. The business originated in Healdsburg, California when Mark took a leap and settled down in the Russian River Valley.

Operations expanded in 2018 to Denver, Colorado, when James retired after 20 years of service in the Air Force. The brothers stay true to their family roots which are blended into the company philosophy, from our logo to our product names.

This boutique winery expresses the vision of two brothers and the uniting qualities of great wine shared among friends and family. It is the story of how wine can bring people together, build bridges and ignite passions that make dreams come true.

Come visit us at Dairy Block, where we bring a wine country experience to downtown Denver.
